This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the Application of Tony's Taxi LLC (the Applicant) whereby the Applicant seeks approval of an amendment to Class C Taxi Certificate of Public Convenience and Necessity No. 8704 to reflect a change in the name appearing on such Certificate. The Applicant is authorized to operate under Certificate No. 8704 pursuant to Commission Order No. 2013-6 issued January 15, 2013.

The Applicant requests the approval to amend Certificate No. 8704 by the addition of a “doing business as” (d/b/a) or trade name by which it will be doing business in South Carolina. The Applicant proposes to adopt the “doing business as” (d/b/a) or

trade name of “Always Available Taxi” with regard to offering motor carrier services in South Carolina. The requested modification is as follows:

FROM: Tony's Taxi LLC

TO: Tony's Taxi LLC d/b/a Always Available Taxi

It appears from the Applicant’s request that the relief requested is a change in the name of the holder of the Certificate. Also, it appears that the change of name does not otherwise involve a change in operation of the business.

Based upon a review of the matters asserted in the present Application, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED THAT:

1. The relief sought in the Application for modification of Class C Taxi Certificate of Public Convenience and Necessity No. 8704 of Tony's Taxi LLC by changing the name to Tony's Taxi LLC d/b/a Always Available Taxi is approved.
2. This approval is for a change in the name of the holder of the Certificate but does not authorize any other change in the operation of the regulated services.
3. The Applicant shall make all required amended filings with the Office of Regulatory Staff related to the amended authority granted by this Order, including an updated insurance filing reflecting the name change, within ninety (90) days of the date of this Order, or within such additional time as may be authorized by the Commission should an extension of time be approved.

4. Upon compliance with the filing of amended information with the Office of Regulatory Staff, a modified Certificate shall be issued by the Office of Regulatory Staff to the Applicant as provided in this Order.

5. Prior to compliance with such statutory and regulatory requirements and the receipt of such amended Certificate, the motor carrier services authorized by such Certificate may not be provided under the amended name.

6. Failure of the Applicant to complete the above process within ninety (90) days of the date of this Order, or within such additional time as may be authorized by the Commission should an extension of time be approved prior to the expiration of the ninety (90) day time period, shall cause this Order to become null and void, thereby rescinding the authority granted to amend Applicant's Certificate. In this event, the request for modification shall be dismissed without prejudice, and no further action by the Commission is necessary.

7. The ORS is requested to furnish to the Commission, every two months, the names and docket numbers of those applicants whose order becomes null and void under the terms of the previous paragraph.

8. This Order shall remain in full force and effect until further order of the Commission.
